

Where Are They Now?

What is your name?

Nathan Snedeker

Where do you currently live?

I live in Pickerington, OH.

What year did you graduate from Brookville High School?

I graduated in 2004.

Did you attend and graduate from the Miami Valley Career Technology Center (CTC)?

No.

What is your current Occupation?

I am a high school science teacher and football coach at Pickerington High School North. I've had the pleasure of teaching and building classes in Biology, Integrated Science, Anatomy and Marine Biology.

What was your post high school education or training?

I graduated from Miami University with my bachelor's in adolescent science education.

What was your favorite high school course?

Mr. Davidson's zoology course and Mr. Brown's AP government course.

What do today's students need to know?

Find new, positive ways to separate yourself from the crowd. The competition for scholarships, acceptance to colleges and training programs and employment is getting tougher every year. Employers are looking for strong problem-solving and critical thinking skills, both of which can be developed well before graduation. The more well-rounded and versatile you make yourself, the better your chances are that you will reach your goals.
